

Letter from the President

Our community, like most communities around the world, is presently struggling through an unprecedented time. Daily lives have been suddenly halted. For fear of spreading this deadly virus, we must stay home. We cannot afford to risk the lives of our most venerable residents. We ask that you tell all visitors to stay away from our community at this time. If you have anyone come to stay at your home, they and you must isolate from the rest of the community for at least 14 days. **Visitors and all residents in homes with visitors may not go to the pool or the cabana for at least 14 days** from when the visitors arrive.

We are presently stuck in an infectious society, trying to remain calm and to take care of ourselves. In times like this, it's important to remember that many people feel even more isolated than we do. Here in Laurel Hollow, though we must stay at least six feet apart, we still have each other. Let's remain safe and healthy.

Joice Fairchild

Community Updates from the Board

Proxies Due

Thank you to the owners who have completed and returned their proxies and ballots to date. The deadline to return proxies has been extended due to the postponement of the Annual Meeting. **Please complete and return your proxies TODAY!!** Hand deliver to 273 Laurel Hollow Drive or Mail to SunVast.

Love Messages

Please join us in extending a big thank you to Kristen DelSordo, granddaughter of Virginia and niece of Doug and RuthAnn Wickware. Kristen has written love messages randomly at curbside scattered throughout our neighborhood. In this time of isolation, a bit of fear and uncertainty, the messages written in chalk and signed with a heart are uplifting. They deliver some unexpected cheer on walks around the neighborhood!! We appreciate this very thoughtful gesture. Thank you Kristen!!!

Laurel Hollow Facebook

Have you joined the **Laurel Hollow FL** Facebook page yet? A very helpful, efficient and fun tool for exchanging positive comments and information with others in the community. Sign up today! Call Roberta Kompoltowicz @ 734-704-4586 for further instruction.

Virtual Meeting – Save the Date

Yesterday, Joe McVey, one of our newer residents, hosted a demonstration of a virtual meeting tool called Uber Conferencing. He showed Joice Fairchild and Marcia Auth how to hold a meeting that allows owners to attend from the comfort of their homes, or wherever they happen to be. Owners will sign into the meeting on their computers or phones. Board members will be able to share content with those attending by displaying it on the computer. The meeting will be recorded as well. Members of the community will be able to submit questions or comments while the meeting is in progress. We are planning to use Uber Conference on April 7th for the board's organizational meeting. The organizational meeting will be followed by an ad hoc meeting on property management. Members will be able to speak at the ad hoc meeting. More details to follow.

Annual Inspections

We are happy to report that Ernie Bussaglia and Chuck Jones have volunteered to conduct home inspections this year. Thank you, Ernie and Chuck!! We will be testing new methodology using a phone app that will collect data, record ratings/notes and include a picture for further clarity. The data will generate owner inspection reports. Reports will be mailed to owners along with an owner feedback form. We will give owners advanced notification on the start date for inspections. Thank you, owners for keeping your homes, neat, clean and in sanitary condition!!!
