

Owners and Residents,

**Irrigation Update Joice Fairchild reports** that we ordered the controller that broke and it will arrive in a few days. John from Graham Electric assured us that he will be able to install it. Pete Vasquez, owner of Crystal-Clear Fountains, guided us through finding the best price on the proper unit. The cost was \$2,024. Jeff Bench, Earl Ipsaro and I all agreed to the expenditure. We are also going to have Graham Electric assess the rest of the electrical components and wiring. Hopefully, we'll make the irrigation system more reliable from here on.

**Laurel Road Pedestrian Gate Jeff Bench reports** that due to some vandalism and current inoperable lock, I have bolted the gate in the closed position until further notice.

### **Transitions**

As some of you know, Tom and I are selling our home and moving to the Windwood community. As a result, I will be resigning from the Board effective August 12, 2020. Jill Harrison has agreed to join the board as the new Secretary on that same day. Jill will complete my term which was due to expire at the 2021 Annual Meeting and will likely continue for another term. Jill has served as a secretary within another community, so she comes to us with relevant and valuable experience. Please welcome Jill and thank her for her willingness share her skills and talent with the community.

To all of Laurel Hollow board members, owners and residents, thank you for the privilege of serving you over the last 17 months. It has been a great experience and one that I truly enjoyed.

Thank you!

Marcia Auth on behalf of The Laurel Hollow Board of Directors
