

LHCA Community Update - September 19, 2020

LHCA Website and Email Communications

As you know, the LHCA website <http://www.laurelhollowfl.com> is the place to visit for an abundance of information, forms, and to send inquiries and requests to the board. Please add the lhoffice@laurelhollowfl.com email to your device's address book. This email is now used frequently so you may want to check your JUNK/SPAM folder periodically to assure you've received an email from the LHCA account. If it goes to one of those folders, you should have the option to add the email name to your address book.

August Meeting 8/15/2020

Attached are the meeting minutes from August that were approved at the September board meeting. Since there are often questions about meeting minutes' availability, please note that in the majority of cases, the meeting minutes are approved at the monthly board meeting from the previous month then released shortly after the current month's meeting.

Cabana & Pool

Members of the Cabana Committee met on Sept. 17th to have a working session on the rules and practices at the pool/cabana. Two board members were present. Consensus of the participants was to keep the 14 days waiting time if you are returning to the community before you go to the pool/cabana. New and as an alternative, if you have a COVID 19 test upon return, and the results are negative, you can immediately return to the pool/cabana. With COVID 19 downward trends, the group will monitor the rules and practices more frequently and hope to continue to lessen restrictions. Daily cleaning will continue though may change to three times a week soon. Disinfectant wipes will be available for those wanting to clean their chairs. The group appreciates your patience during the pandemic and encourages safe distancing and hand hygiene. Should you have any questions or thoughts to share with the group, please email them to: lhoffice@laurelhollowfl.com or contact Lorie Lettinga.

Bloomings Lawn/Trees & Aquatic Lake

The board was recently notified by Chris Allen that she's decided to step away from her Liaison role and those duties will shift to Jeff Bench. Chris has dedicated her time as a volunteer in the LHCA for quite a while. We thank Chris for all her work and wish her well in her future endeavors.

It is with sadness....

To inform you that Mary Elliott, whom lived in #338, recently passed away. She was a part of our community for many years and those that live near her say she was a very good neighbor. And Charles Dana Richardson, known to many as Dana and Jeffrey Richardson's brother, also has passed. He lived in LH for four years, though recently moved. He was well known and loved by many people. Our heartfelt sympathy goes out to these families and friends.

Prepared by: Jill Harrison, LHCA BOD Secretary
