### **Laurel Hollow Condominium Association Rules, Regulations, and Standards 2020 Edition**

There were a few items that needed correction from the prior release, May 19, 2020. Attached is the current corrected copy for your records which is the version posted on the Laurel Hollow website. The Secretary will provide a highlight of the few corrections at the board meeting.

### **Cabana/Pool**

There are no changes with the pool rules. Cleaning continues daily, a sanitizer station is available, and if you have not been in LHCA for a 14 days period, do not go to the cabana/pool area. If you take a Covid19 test upon arrival to LHCA, you can provide a negative test result with just your name, address, and negative result (redact any personal information, age, DOB, insurance id, etc.) and email it to [lhoffice@laurelhollowfl.com](mailto:lhoffice@laurelhollowfl.com).

The Cabana/Pool committee has been working very hard to keep the areas as pristine as possible. The team needs help on Thursdays so if you can volunteer to help then, please contact Carol Phillippe, Chair.

As with any environment like the Cabana/Pool, please wear earbuds while listening to your phone and keep conversations within a reasonable tone so that others are unaffected by the talking (e.g. politics, sports).

### **Financial Documents**

Attached is the current financial documents as of end of September.

**Laurel Hollow Office Email:** [lhoffice@laurelhollowfl.com](mailto:lhoffice@laurelhollowfl.com)

Since at least June of this year, information regarding the official Laurel Hollow email has been communicated. This is the formal email to contact the BOD, request services, ask questions, make suggestions either for the BOD agenda, community items, etc. Please use this email for LHCA communications and inquiries so your item can be addressed as quickly as possible. Thank you.

**Remembering Alice Phillips**

It is with great sadness that we report the passing of Alice Phillips. From president of the board to fabulous pot luck dishes, Alice contributed her talent, wisdom and enthusiasm to Laurel Hollow in so many ways. She lived a full life, and shared her many stories. She will be missed by many.
